The **Nanaimo Park Jugglers** are pleased to host the **Ottawa Unicycle Invasion** here in Ottawa **26-27 May 2007.**

You probably heard how GREAT [OUI'04](#), [OUI'05](#) and OUI'06 was and if not check out the **Highlights Video** posted [HERE](#) ! **OUI'07** promises to be just as good or better!

The **OUI'07** BBQ, Awards, Contests and Prize Draws will take place at the Roth's residence accross the street from the competition site. the "[Where](#)" page for a map.

Naturally we are assuming that you know how to get to Ottawa, eh!

Come out and meet **Darren Bedford** of [Bedford Unicycles](#) - just one of our special guests! Darren will be bring advance orders to the event (saving you shipping costs) and personally set you up for OUI. Stop putting off learning to ride that unicycle - come out and join our beginner level workshops.

The web site will be updated often so check back often, and if it looks a lot like the OUI'04 and OUI'05 web sites well then you have just experienced what we call in the programming business "code re-use"!

As for the logo, well you can tell I spent a great deal of time working on it! Actually it is only a place place holder until the more "creative" members of my organizing team come up with the actual logo!

Hope to see you in Ottawa in May!
